

C. MORCOMBE TO LEAVE FOR LAFAYETTE

WELL KNOWN LAKE ERIE
AGENT GETS FINE PROMO-
TION AFTER 8 YEARS OF
SERVICE HERE.

TO BE FREIGHT AGENT

Many Friends of Family Will Regret
to See Them Go—Will Dispose
of Property on Sophia
Street.

Charles Morecombe, agent at the
Lake Erie, will leave tonight or to-
morrow for Lafayette to take charge
of the combined freight offices of
the Lake Erie and Wabash railways
at that place. He will have charge
of about sixteen men and handle a
business of perhaps \$100,000 a
month.

Mr. Morecombe was in Lafayette
Sunday to look over the offices and
the situation generally to determine
whether he would accept the offer of
the company. He has been in Ply-
mouth for eight years and had just
concluded that he would stay here
for at least another eight and per-
haps all his life, so bought the Stein
property on Sophia street a few
months ago. Then came the good
offer of the company, a more impor-
tant job with much better pay, and
he decided to accept it.

The family will not go to Lafay-
ette until about school time, and
Mr. Morecombe hopes to dispose of
his property before that time.

W. E. Dimmitt, at present the as-
sistant in the office, will for the
present at any rate, take Mr. Mor-
combe's place here. Mr. Dimmitt
has been in the service here for
many years and is fully competent
to hold the job.

Mr. Morecombe has always con-
ducted the office in a courteous way
very agreeable to the public. Aside
from this the faithfulness and effi-
ciency with which he has done his
work has been a credit to the com-
pany, and they certainly made no
mistake in their man when they
chose him for larger and more im-
portant tasks.

Bourbon Teachers.

A reminder of the approach of the
school year is received when the fol-
lowing list of teachers for the en-
suing year is read:

E. R. Rizer, Supt.
H. L. McKenney, Principal.
Ralph W. Aye, Assistant Prin.
Nils Wolf, Grammar Room.
Miss Frances Hahn, 2nd Inter.
Miss Bess Bristol, 1st Inter.
Miss Emma Miller, North Pri.
Miss Pearl Parks, South Pri.
Mr. Aye, the new principal is from
Beaver Falls, Pa., and comes to us
with splendid testimonials as to his
value. This is the first time since
the regime of Mr. Lowery, several
years ago, that the assistant prin-
cipalship has been delegated to a gen-
tleman, ladies holding the place heretofore. We bespeak for him a re-
ception that is genuine in its hearti-
ness and his school life among us
may be pleasant.—Bourbon News-
Mirror.

Season Half Over.

The Ball & Co. team have finished
the first half of their season and
made a good showing, considering
the teams they have played, playing
only one team of near their age, that
being Bourbon. The batting average
of the team for the games to date is
.216, the fielding average is .902.
Standing is: won 4 lost 5. Average
444.

They have the following games
booked for the remainder of the sea-
son:

July 30 Argos at home.
Aug 6 Twin Lakes at home.
Aug 13 Bourbon at Bourbon.
Aug 20 Delong at home.
Aug 27 South Bend Walkovers at
home.
Sept. 3 Logansport North Stars at
home.
Sept. 10 Notre Dame Pennants at
home.
Sept. 4 is an open date and would
like to arrange a game out of town.

EXCURSION TO CULVER.

Reformed, German Evangelical and
U. B. Churches Spend Afternoon
at Maxinkuckee Lake.

A large number of the members
of the Reformed, German Evangelical
and U. B. churches and Sunday
schools spent a highly enjoyable af-
ternoon at beautiful Lake Maxin-
kuckee Thursday.

One hundred and ninety-seven
tickets were sold at the local Van-
dalia Railway office. The excursion-
ists completely filled two special
coaches of the regular noon train
and there was an extra baggage car
for any lunch baskets or other bag-
gage taken along. This was a larger
party by several people than the
Presbyterian special train carried to
Winona Lake yesterday, they having
but 182 in all.

Mr. and Mrs. Robert Reeve of
Chicago are here for a visit of a
week with J. S. Reeve and family.

Winamac Old Settlers' Picnic.

The date for the Old Settlers' pic-
nic has been announced as August
26. The crowd will probably be ad-
dressed by Congressman George W.
Rouch, as efforts are being made to
have him here on that date. The
concession privileges for the day
have been sold to the Christian
church for the sum of \$75. They ex-
pect to have a large tent erected in
which they will dispense all varieties
of eatables ranging from ice cream
cones to the toothsome spring chick-
en. They will sublet all such privi-
leges as cane racks, shooting gal-
lery, etc. A merry-go-round has
been engaged for the day.—Win-
amac Journal.

A number of Marshall county peo-
ple always attend this picnic.

Boy Falls Off Bridge.

Saturday afternoon while walking
the rail on the Lake Erie Railroad
bridge just south of town, Joe Wil-
son an 8 or 9 year old boy, stubbed
his toe on a bolt and fell to the
ground below, a distance of several
feet. He landed about a foot from
the water's edge, which was very
lucky, as had he fallen into the river
it might have been a more serious
accident. As it was he sustained only
a very slight injury to his back.
The lad quickly got up and laugh-
ingly made some appropriate remarks
to his three boy companions. He
was able to walk to his home and
has as yet felt no bad effects from
his fall.

Dredge at Work Again.

The dredging company is again en-
gaged in the work of cleaning out
the river and making it deeper and
narrower. The work has been at a
standstill for over a month now
while the dredge was being taken
apart, floated down the river and
put together again ready for busi-
ness. It is now located back of the
Blue Hitch barn, and is occupied in
removing the island. The work was
resumed Wednesday morning.

Will Build on New Lot.

Geo. R. Howard has bought a \$200
lot north of A. L. Warner's in the
Dillon & Medbourn addition and in
the fall will erect a cement block
building, 24x54, two stories, for an
ice cream and pop factory. The sec-
ond story may possibly be used as
temporary living quarters for the
family pending the erection of a
house on the east end of the lot.—

Chicago Cripples at Twin Lakes.

Thursday a special train con-
sisting of a coach and baggage car
carried a party of the little crippled
children of Chicago to Twin Lakes.
They will spend a week or two with
Miss Florence Prouty at her new
cottage there. Probably no better
place for an outing for the unfor-
tunate children of a great city
could be found anywhere.

JOHN J. WRIGHT AGED BREMEN CITIZEN DEAD

ONE OF MOST HONORED BUSI-
NESS MEN OF COUNTY IS
CALLED TO HIS LONG
HOME.

FUNERAL ON SATURDAY

Came to Marshall County in 1868
and Has Been Engaged in Man-
ufacturing Nearly Ever
Since.

Bremen, July 27.—John J. Wright
died at his home here this morning
at 5:30 o'clock, after only a short
illness. He had been feeble for the
past three or four years, but had not
been sick. Just last week he came to
Plymouth with his son Ed M. and
from here went to South Bend. On
Tuesday he was able to go to the
barber shop. The end, therefore,
came quite unexpectedly.

Mr. Wright was nearly 84 years
old, and one of the oldest as well
as one of the most highly respected
and honored citizens of the county.
He was born on Long Island Jan. 28,
1828, and received his schooling in
New York City. In 1852 he went to
Chicago, where he invested in car-
riage manufacturing. After a few
years he went to New Paris, Ind.,
and from there to Bremen in 1868.

Upon locating at Bremen he con-
structed a wood-bending factory,
which he continued to operate until
his death. The product of this fac-
tory consisted of materials for car-
riages, wagons, sleighs, etc., besides
many other things, such as special
boxes. At times this factory em-
ployed as many as 75 men, and the
products became widely known for
their great excellence both of wood
and workmanship. The industry has
been one of the important ones of
Bremen.

Mr. Wright was married at West-
field, Mass., to Miss Sarah F. Loom-
is in 1854. To them 3 children were
born: William D., Edward M. and
Luey E. Both sons are living in
Bremen, but the daughter is de-
ceased. Mrs. Wright survives her
husband. Both Mr. and Mrs. Wright
were members of the Congregational
church, and enjoyed a high social
station in life. Mr. Wright was a
self made man in the truest sense.
He pushed his way to the front by
his fine qualities of energy, and keen
business ability. That prosperity
and honor which is the desire of all
men came to him in its fullness.

The funeral will be held at the
house on Saturday at 2:00 o'clock
in the afternoon.

RETURN FROM TEXAS.

Mr. and Mrs. George Keyser Return
After Four Years' Absence From
This County.

Mrs. Eva Keyser returned Sunday
from Texas, where she, with Mr.
Keyser went four years ago in
search of a location. Mr. Keyser is
on the way, accompanying a stock
car that is bringing their goods.

They left here four years ago in
company with Al Keyser, Mr. Good-
rich and others. The inducements
of that country were held out as being
very great and Mr. and Mrs. Keyser
went there largely upon the recom-
mendation of friends who themselves
were the first to return. They
stayed until they proved up 40 acres
of land, which took four years, and
that, with 40 acres they bought, is
all they have to show for their four
years of hard work. The others
who went with them have either re-
turned to Plymouth or gone further
west.

Mr. and Mrs. Keyser have certain-
ly made the best they could of the
opportunities, but they could not
make it pay.

Their many friends will be glad
to have them back again into their
old neighborhood.

Company I Home Again.

The boys of Company I arrived
home on a special L. E. & W. train
Wednesday night. They have camped
at Fort Harrison the past two weeks.
While there they were given a
sample of real army life in all its
details. However, the boys say they
had a great time and won more than
one honor for themselves and for
their city.

CANADA TO TAKE VOTE

Will Hold Reciprocity Election
in September.

Dominion Parliament Dissolved as
Result of Deadlock—Action
Is Surprise.

Ottawa, Ont., July 31.—The eleventh
parliament of Canada passed out of ex-
istence and upon the political complex-
ion of a new one to be elected Sept.
21 will depend the fate of the reci-
procity agreement between the United
States and Canada. Premier Laurier
decided to ask for an immediate dis-
solution at a meeting of his cabinet
and at once notified Earl Grey, the
governor general.

A short time later a special issue
of the Official Gazette was printed
containing the formal announcement
and giving legal effect to the action.

In both Liberal and opposition
chambers the news was received with
cheers and the members hurried away
to telegraph their political workers
that the campaign was on.

Practically every member has left
the capital and the campaign on the
reciprocity issue begins all over the
dominion today or tomorrow.

The announcement of dissolution
came as a surprise. The absolute re-
fusal of the Conservative minority in
the house to close the debate on the
government's reciprocity resolution
and permit a vote upon it which would
mean its adoption and the improbabil-
ity of a change in their attitude result-
ing in the government's decision that
it was useless to keep parliament
sitting.

SLEEPING GIRL AWAKES

Vandalia, Ill., Young Woman Eats
Three Meals, Then Sleeps Again.

Vandalia, Ill., July 31.—It is 106 days
since Miss Hazel Schmidt, daughter of
former Alderman George Schmidt,
went into a trance. Up to two weeks
ago the girl slept almost continuously.
Since then her waking periods have
been more frequent and longer and she
has gained flesh. Sunday she was
awake five hours, ate three meals and
laughed and talked. She said she
could not realize that she had been
asleep so long.

"I don't feel one bit bad over it, she
said, "and know I would soon be all
right again if I could only keep
awake." Finishing this sentence her
eyes again closed in sleep despite a
struggle to keep them open. Attend-
ing physicians believe she will soon be
able to remain awake all day.

DUBUQUE HAS COSTLY FIRE

cendiarism in Iowa City.

the Morrison-Kritschmer Manufacturing
company building were damaged.
The loss is \$150,000. Rags saturated

John W. Gates Takes Cold.

Gates' doctors had said that there had
been no change for the worse in his
heart, and his kidneys, but that the
patient had taken cold.
